Spaces per 100 children. <sup>32</sup>	11.0	78.5	59.6
Spaces in accredited or Head Start programs. <sup>33</sup>	43.5%	67.3%	NA
School Readiness. <sup>34</sup>	NA	1,197	NA
Care4Kids, number of and distribution by age. <sup>35</sup>	688 (27.9%)	851 (34.5%)	931 (37.7%)
Care4Kids, percent in informal care. <sup>36</sup>	58.6%	44.9%	83.6%

- 100.0% of kindergarten children are in full school day classes.<sup>37</sup>
- 18.2 is the average kindergarten class size.<sup>38</sup>

**COMMUNITY PLANNING QUESTIONS: *Early Care and Education***

- Do parents know what to expect from their children and the programs that serve them at each age?
- Is there an adequate supply of quality care for each age group to give families good choices?
- Are center-based and family home child care programs accredited?
- Are quality improvement initiatives in place to service providers and families?
- Are there strategies to improve the qualifications of teachers in early care and education?
- Are kindergarten and preschool programming aligned?
- Are there teen parent programs with child care in the high schools?
- Are developmental delays and disabilities detected for the first time in kindergarten and first grade?

**PROTECTIVE SERVICES**

**A SAFE AND NURTURING FAMILY ENVIRONMENT: *Are children growing up safe in Hartford?***

- 196 children (age 0-2) have substantiated reports of child abuse or neglect.<sup>39</sup>
- 142 children (age 3-5) have substantiated reports of child abuse or neglect. <sup>40</sup>
- 55 children under 3 live in relative or non-relative foster care.<sup>41</sup>
- 55 children age 3 to 5 live in relative or non-relative foster care.<sup>42</sup>

**COMMUNITY PLANNING QUESTIONS: *Protective Services***

- Are young children in foster care experiencing multiple placements?
- How quickly does permanency occur for young children?
- Are young children exposed to violence in the home or community?
- Is there a home visiting program for high-risk new families?
- Are families in need of it connected to substance abuse treatment programs?
- Are all children in foster care or protective services assessed and receiving needed health, mental health and developmental services?
